

Implementation of Artificial Intelligence (AI) as a skill Subject in class VIII, IX & X from Session 2022-23

Artificial Intelligence (AI) is a scoring subject as it has 50 marks of theory and 50 marks of practicals. At Secondary Level, if AI is opted as additional sixth (Skill) subject along with the existing five compulsory subjects and student fails in any one of the three elective subject(i.e Science, Mathematics and Social Science), then it will be replaced by the skill subject (offered as 6th subject) and result of Class X will be computed based on best five subjects."

Artificial Intelligence Facilitator Manual

CBSE has prepared Artificial Intelligence Facilitator Manual and the AI training video to manage the subsequent trainings of trainers on the Artificial Intelligence Curriculum.
